

Zero PST

CABINETRY – Z05 LACCATA, BLACK JACK

ZERO PST

an ultra-matte high-pressure laminate combining sophisticated aesthetics with cutting edge technological performance suitable for both horizontal and vertical applications. With minimal light reflectivity, Zero's surface is opaque, anti-fingerprint and features a surface texture similar to silk.

ZERO PST

contains antibacterial and hygienic properties and is resistant to UV rays, high temperature, acid-based solvents, impact and scratches. Through the use of nanotechnology and thermal heating, micro scratches can be repaired post-installation.

ZERO PST

has the aesthetic benefit of solid-core laminate. The surface color is carried through all layers of the sheet eliminating the presence of brown edges and offering the appearance of a solid surface material.

ZERO PST

is recommended for use in the most demanding of environments: hospitals, washrooms, restaurants, hotels and kitchens. Types of installs: countertops, desktops, cabinetry, doors, walls and partitions.

MARKER BOARD LAMINATE

High-Pressure Laminate with an erasable marker board surface available in both magnetic and non-magnetic versions.

CHALKBOARD LAMINATE

High-Pressure Laminate with a high wear chalkboard surface available in both magnetic and non-magnetic versions.

CUSTOM DIGITAL LAMINATE

With only a one sheet minimum, Bella can recreate your design, photography, logo or illustration on to our high-performance laminate.

COUNTER – COM - 5540

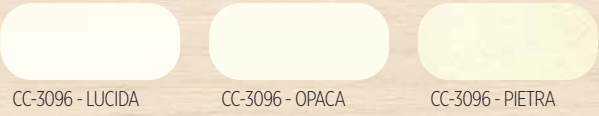

COMPACT LAMINATE

Versatile and durable, Interior Grade Compact is available in a wide range of solid colors, wood grains patterns and pearlescents. Compact can be manufactured in many thicknesses ranging from 1/8" to 1". The core can be produced in black, beige or white. Bella Laminati's Compact Grade Laminate provides creative solutions for fixtures and furniture in commercial, educational and healthcare environments due to its non-porous surface and resistance to impact, heat and humidity.

Solid Core Laminates

The surface color carries through all layers of the laminate eliminating brown lines and providing a monochromatic look perfect for environments where style and modern look are paramount. Highly durable and available in 3 different textures, design without limits.

Textures & Patterns

Innovative, original and sophisticated, Bella offers mesmerizing abstract patterns and solid colors with distinctive embossed textures.
